

# Mask Care

It's as easy as  
**1 2 3**

# RINSE DRY PROTECT

## RINSE

**1**

*Rinse with fresh water to remove salt, chlorine, and sand*

## DRY

**2**

*Allow mask to dry thoroughly before storing in a closed container*

**3**

## PROTECT

*Transport and store only in a protective case. Store in a cool, dry place, out of direct sunlight.*

## REMEMBER:

**3 simple steps**  
can make your  
mask last for years

# RINSE DRY PROTECT
