

Mask Selection

It's as easy as
1 2 3

STRAP OFF LOOK UP INHALE

STRAP OFF

1

Start by placing the strap in front of the lens, out of the way

LOOK UP

2

Make sure the mask rests evenly and comfortably on your face

INHALE

3

The mask should stick firmly to your face, you should not hear air leaking in under the skirt

REMEMBER:

3 simple steps to ensure you get the perfect mask

STRAP OFF LOOK UP INHALE
