

# Fin Selection

It's as easy as 1 2 3

## 1 RIGHT TYPE 2 RIGHT FEATURES 3 RIGHT FIT

### RIGHT TYPE

1

*Most full-foot fins lack sufficient power for scuba diving - The better choice is generally open-heel fins worn over wetsuit boots - Wetsuit boots also help protect feet out of the water*

### RIGHT FEATURES

2

*Look for easy-to-use heel straps - The best fins often use advanced blade technology*

### RIGHT FIT

3

*Always try fins on while wearing wetsuit boots*
