

Snorkel Setup

It's as easy as
1 2 3

1 USE THE KEEPER
2 PUT IT ON LEFT
3 ANGLE IT BACK

USE THE KEEPER

1

This provides the easiest way to attach the snorkel

PUT IT ON LEFT

2

*Many snorkels only work if you put them on the left - For scuba, the snorkel **must** be on the left so it won't interfere with the reg*

ANGLE IT BACK

3

Angle the snorkel far back - When you look down, the snorkel will point straight up

REMEMBER:

3 simple steps to setup your snorkel

1 USE THE KEEPER
2 PUT IT ON LEFT
3 ANGLE IT BACK
